

GET READY TO
JOIN IN
WITH THE
SUMMER FUN!!!!

Thank you for registering for your Summer VIP Pass for your household! We can't wait for you to join us at our programme of fun events throughout the summer!

The first thing you need to do is request to join the private Facebook group.

[Click on this link and join the Facebook Group](#)

Confirm the email address you used to purchase with, when prompted.

You will find in the group the schedule of events, dates and times.

As a VIP pass holder you don't need to pre-register for the event, just tune in at the allotted time in the VIP pass facebook group.

However as all the events involve a treasure hunt element in your home, you need to have printed / drawn the correct clues prior to the event start time. All clue files and information will be posted in the group. All information can be accessed there and you can also ask any questions in the group or **[here](#)**

In the group there will also be other activities and offers posted, as well as event reminders. So make sure you had into the notification settings and select 'all' on notifications, so you don't miss anything and you can make the most of your pass.

Any technical issues, you can **[contact us here](#)**
