

Use these outlines to either copy or trace on a computer screen or other device so you have created clue points on different sheets of paper you can place around your home or garden.

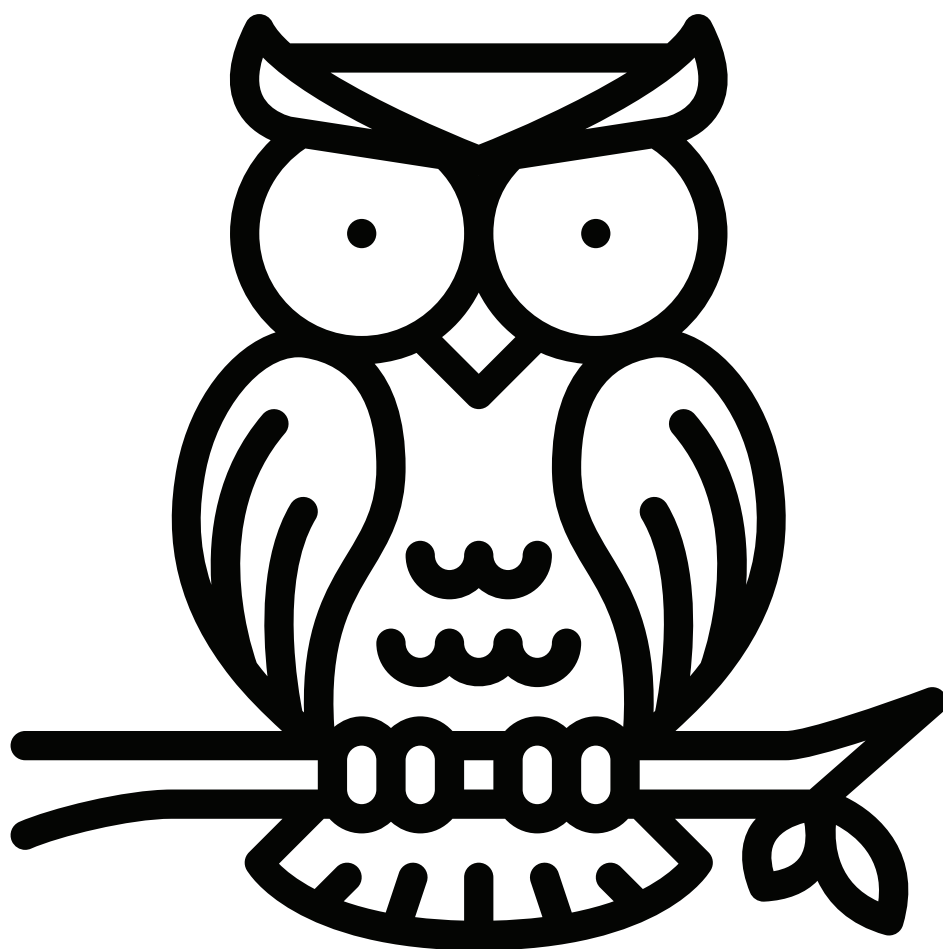

Don't worry too much about the accuracy of copying as you will see each clue is quite different and you can use written words too.

Make sure you include the letter on each clue.

**S**

**Clue 1:**

**Owl**

**P**

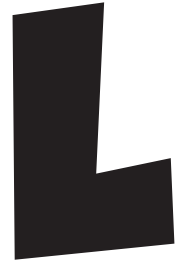

**Clue 2:  
Crystal Ball**
