To be as happy and bouncy as me - you need to know some important eggs-illering skills - first I would like you to make yourself some bunny ears with your hands - that's it - oh you do look the part - well done — now one thing I like to do when I am out delivering your eggs, is to be full of frolics and joy, and I just can't help to skip - can you skip ? Ok, well lets skip together, up on your feet - that's it - well done - lets skip - we pull up our knees and have a bouncy step like this - that's it copy me - are you joining in - yippee - ha, oh well done - that's good bouncing fun isn't it!

Now talking of bouncing fun - I have a very fun Easter Bunny Hop song - would you like to watch it and maybe even join in? - Oh wonderful - lets hop to it ...

Oh well done **Charlie** - that was really fun wasn't it - don't forget you can play my video again and again - so you can do my Bunny hop with me any time you want.

Now Charlie, your Mummy and Daddy, sister Daisy and brother George wanted me to let you know they are so proud of you and how big and clever you are getting with your numbers, and singing the alphabet. They have also asked me to drop you off a special chocolate surprise from them - so look out for that really soon - Mummy and Daddy will tell you more.
